**A-LA-CARTE SIGHTSEEING - CHOOSE FROM THE FOLLOWING
TWO FULL DAYS PRIVATE SIGHTSEEING INCLUDED IN 5-NIGHT PACKAGES**

TABLE MOUNTAIN, CITY & ROBBEN ISLAND

In the morning, transfer with your private guide to the Robben Island ferry terminal and depart for your tour of this historically significant symbol of South Africa's triumph over apartheid. Visit the prison block and a drive around the island with views of the city across the bay. Next, return to the city and embark on a cable car ride to the top of iconic Table Mountain. You are afforded a birds-eye view of both city and peninsula from the 3400-foot summit of this spectacular landmark, where you can learn about the unique flora and fauna of the Cape. Next, pass through the scenic Cape Malay Quarter and stroll through the Company Gardens, before browsing vendors' stalls at Greenmarket Square. With your private guide, you are escorted to the Castle, the oldest building in South Africa. Finally, visit the moving District Six Museum for a unique insight into the lives of residents, who were forcibly removed from their homes during the height of the Apartheid Era.

CAPE PENINSULA

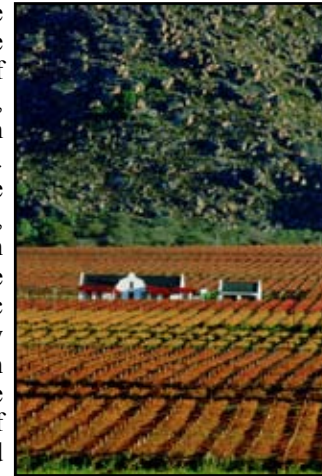

In the morning, you will be collected by your private guide. Depart the city along the Atlantic Seaboard, past the scenic coastal suburbs of the Cape Town surrounds. Stop for photo opportunities on your way past the towering Twelve Apostles, past fishing villages marked by shipwrecks, and onward to Duiker Island to visit a Cape Seal colony. Drive back along picturesque Chapman's Peak Drive!

Learn of the Cape region's spectacular and diverse fynbos vegetation as you venture toward the Cape of Good Hope National Park, where you will undoubtedly see the resident baboon troops. As a finale, visit Boulders Beach for a close-up with a colony of African penguins, before heading back to the city centre through the local villages and fishing towns.

CAPE WINELANDS

In the morning, you will be collected by your private guide for a full-day tour of the Cape Winelands region, some 50-minutes drive from Cape Town's city centre. Leisurely explore the wine region towns of Stellenbosch, Paarl and Franschhoek, with wine tastings and estate tours en route. Visit historic estates, with beautifully preserved Cape Dutch buildings. Explore the university town of Stellenbosch, the second oldest town in the country.

**RECOMMENDED ADRENALIN SIGHTSEEING OPTION
HALF-DAY GREAT WHITE SHARK SAFARI**

Depart before daybreak for Simonstown harbor for a boat trip in search of the super predator of the oceans, the Great White Shark with international shark experts, Chris and Monique Fallows of "Shark Week" fame (subject to their availability). The Fallows have studied Great Whites since 1989 and were the first to film the now famous Great Whites of False Bay in the rare and until-then, relatively-unseen act of "breaching" (launching themselves out of the water) in their pursuit of Cape Fur Seals they hunt in this area.

Our search for Great Whites includes one of their typical haunts, Seal Island, home to some 60,000 seals as well as a host of other sea bird species. The main focus of the Safari is on natural interaction with the sharks from the boat, observing natural predatory behavior, with a tow using a fake cut-out carpet "seal" decoy employed to encourage the sharks to "breach." Light lunch, snacks and soft drinks are served on board.

Return to the city or Winelands around noon or continue on and combine the Shark Safari with the Cape Peninsula tour.
